## Settling claims

### Buildings and Contents

**We** will automatically reinstate the sum insured from the date of payment of any claim unless **we** give **you** written notice to the contrary before payment.

In addition to any other action **we** may take **we** reserve the right to proportionately reduce the amount payable on a claim if **you** received a premium reduction as a result of providing inaccurate information.

### Buildings

**We** will pay the full cost of repair or reinstatement as new of the damaged part of the **buildings** provided that the work is done without delay or at **our** option **we** will arrange for the work to be carried out. However, **we** will deduct an amount for wear and tear if the **buildings** are in a poor state of repair or decoration.

- If it is necessary to make a deduction for wear and tear, then for the purposes of determining whether or not there is underinsurance, the cost of rebuilding as new all the buildings covered by this policy less the deduction for wear and tear will be compared with **your** actual sum insured.
- **We** will not pay any cost relating to the replacement of, or work on, any undamaged or remaining items which form part of a set, suite, group or collection of articles of a similar nature, colour, pattern or design when the loss or damage is restricted to a clearly identifiable area or to a specific part and replacements cannot be matched.

If repair or reinstatement is not carried out (at the request of the insured, which request must be explained and reasonable) **we** will pay the reduction in market value resulting from the loss or damage, but only up to what it would have cost to rebuild or repair if such work had been carried out without delay.

The most **we** will pay under paragraphs 1 to 12 and 'Additional Costs' below is the **Buildings** sum insured.

#### Additional costs

**We** will pay the necessary and reasonable expenses that **you** incur in reinstating the **buildings** following loss or damage insured under this section, namely:

- fees to architects, surveyors, consulting engineers and others,
- the cost of clearing the site and making it and the **home** safe,
- the cost of complying with any government or local authority requirement following loss or damage unless **you** were given notice of the requirement before the loss or damage occurred. Where **you** were not notified of any government or local authority requirements prior to the loss or damage occurring and such requirements increase the rebuilding as new cost, this increased cost will be disregarded for the purposes of determining whether or not the **buildings** are underinsured.

**We** will not pay:

- fees for preparing a claim under this section,
- costs in respect of undamaged parts of the **buildings** (except the foundations of the damaged parts).

#### Retention Amount

**Our** priority is to provide financial support to customers throughout the claim process to ensure any repair/reinstatement work is completed as quickly as possible.

Where **we** opt to pay the costs of repair or reinstatement as above, **we** may:

- release a proportion of the estimated cost of repair or reinstatement prior to completion of the work;
- pay the balance (otherwise known as the "retained amount") to **you** on completion of the work and on receipt of appropriate documentation validating the costs incurred by **you** for the repair or reinstatement work (including VAT invoices).

The retained amount will not exceed:

- 5 per cent of the claim settlement amount in a case in which the claim settlement amount is less than €40,000; or
- 10 per cent of the claim settlement amount in a case in which the claim settlement amount is €40,000 or more.

#### Mortgagees clause

The interest of the mortgagee shall not be prejudiced by any act or neglect by **you, your household** or any tenant that increases the danger of damage without the authority or knowledge of the mortgagee, provided that the mortgagee as soon as reasonably possible after becoming aware of the danger, shall give notice to **us** and pay an additional premium if required.

#### More than one home

When more than one **home** is insured the terms and conditions of the policy shall apply as if each is separately insured.

#### Selling **your** home

If **you** are selling **your home** **we** will insure the buyer up to the date the contract is completed unless he/she has arranged his/her own insurance. The buyer must keep to the terms and conditions of the policy.

#### Contents

**We** will pay the full cost of replacement as new or repair of the **contents** lost or damaged or at **our** option **we** will replace the **contents** or arrange for the repair work to be carried out. However, **we** will deduct an amount for wear and tear:

- for clothing, furs and linen,
- for floor coverings more than 5 years old,

If it is necessary to make a deduction for wear and tear, for the purposes of determining whether or not there is underinsurance, the cost of replacement as new of all the **contents** covered by this policy less the deduction for wear and tear will be compared with **your** actual sum insured.

- **We** will not pay any cost relating to the replacement of, or work on, any undamaged or remaining items which form part of a set, suite, group or collection of articles of a similar nature, colour, pattern or design when the loss or damage is restricted to a clearly identifiable area or to a specific part and replacements cannot be matched

- The most **we** will pay under paragraphs 1 to 12 is the **contents** sum insured, subject to the condition of average, but see the limitations in the Meaning of Words with regard to collections of stamps, coins or medals, satellite dishes, receivers and ancillary equipment and **valuable property**.

- Where the damaged or lost item can be repaired or replaced with an item of similar quality, **we** may at **our** option either arrange or authorise replacement. If an exact replacement is not available, **we** may either arrange or authorise replacement with an item of similar quality.

Where the replacement or repair of any item results in an increase in the value of that item **we** may make a deduction in respect of Betterment.

- If **you** do not replace (for a reason that is explained and reasonable) an article which is lost, or damaged beyond economical repair, **we** will pay the resale market value only.

**We** will not pay:

- fees incurred by **you** for preparing a claim under this section

- **We** will not pay any cost relating to the replacement of, or work on, any undamaged or remaining items which form part of a set, suite, group or collection of articles of a similar nature, colour, pattern or design when the loss or damage is restricted to a clearly identifiable area or to a specific part and replacements cannot be matched.

- d) while **we** acknowledge that **you** have no legal duty of voluntary disclosure, **you** shall ensure that information which is voluntarily provided by **you** or on **your** behalf is provided honestly and with reasonable care.

### (2) Remedies for Misrepresentation

- (a) The term "negligent misrepresentation" means a representation made without reasonable care but which was not fraudulent. Where a claim is made under the Policy but an answer which was provided, or information which was volunteered, by **you** or on **your** behalf involves a negligent misrepresentation, the remedy available to **us** shall reflect what **we** would have done had **we** been aware of the full facts and shall be based on a compensatory and proportionate test, as follows:

- (b) Where an answer which was provided, or information which was volunteered, involves a negligent misrepresentation which is identified at a time prior to there being any claim under the Policy, **we** may either:
- (c) give notice to **you** that in the event of a claim **we** will exercise the remedies in paragraphs (a)(i)-(iii) above as appropriate; and/or terminate the Policy by giving reasonable notice. Where a claim is made under the Policy but an answer which was provided, or information which was volunteered, by **you** or on **your** behalf involves a fraudulent misrepresentation, or where any conduct by **you** or on **your** behalf (relative to the Policy or the steps leading to its formation) involves fraud of any other kind, **we** shall be entitled to avoid the Policy from the date of commencement or renewal (as the case maybe) without return of premium.

## 21. Effect of Continuing Restrictive Conditions

In this Policy, any term that imposes a Continuing Restrictive Condition, including one that is intended to reduce the risk of a particular type of loss, or reduce the risk of loss occurring at a particular time or in a particular location, shall be treated as a suspensive condition. This means that if:

- (a) **you** breach any such term; and
- (b) during the period of breach **you** suffer a relevant loss; and
- (c) such breach increased, in the circumstances concerned, the risk of the loss suffered by **you**, **we** will have no liability for the loss.

A Continuing Restrictive Condition is any condition in this Policy, however expressed, that purports to require **you** to do, or not to do, a particular act or acts, or requires **you** to act, or not to act, in a particular manner (and any condition the effect of which is that a given set of circumstances is required to exist or to be maintained or not to exist shall be taken as falling within this definition).

## 22. Subrogation Limits

For the purposes of this condition only, the expression "insured person" shall mean **you** and any other person entitled to be indemnified under this Policy.

This clause applies where **we** have the right to be subrogated to the insured person's rights against some other person but the insured person has not exercised those rights and might reasonably be expected not to exercise those rights because the insured person and the other person are members of the same family (to be construed in accordance with the Employment Equality Act 1998), or are cohabitants (to be construed in accordance with the Civil Partnership and Certain Rights and Obligations of Cohabitants Act 2010).

Where in the above circumstances the other person is not insured in respect of their liability to the insured person, **we** do not have the right to be subrogated to the insured person's rights against that other person. Where the other person is so insured, **we** may not recover from the other person an amount greater than the amount that that person may recover under their insurance policy.

This clause does not apply where the conduct of the other person that gave rise to the loss involved serious or wilful misconduct.

If the Insured Person is an employer, **we** will not exercise **our** right of subrogation against an employee except where the loss was caused by an employee intentionally or recklessly and with knowledge that the loss would probably result.
