Important Information

This document, the **certificate** and any related **endorsement** form **your** insurance documentation.

This insurance documentation sets out the terms and conditions of the insurance between **you** and **us**. Please read the whole document carefully and keep it in a safe place.

It is important that **you**:

- check that the information contained in the **certificate** is accurate. See the “Information you have given us” section on page 4; and
- comply with all **your** duties and obligations under the insurance, including the Important Conditions below, and the actions **you** must take in the event of a claim (see page 8).

Failure to comply with the above could affect **your** insurance and any claim **you** make.

Important conditions

1. At the start of the **period of insurance**:

- a) **you** must have confirmed that the **horse** is in sound health and free from any illness, disease, lameness, injury, disability or physical abnormality whatsoever, or
- b) **You** must have told **us** about any illness, disease, lameness, injury, disability or physical abnormality whatsoever affecting the **horse** and any such disclosure will be reviewed by **us** before cover is confirmed in writing.

You must also comply with either a) or b) above before any changes are made to this insurance, for example:

- any increase in sum insured on the **horse**; and/or
- any **horse** added to this insurance; and/or
- any other extension of or addition to this insurance

2. If **you** submit a Veterinary Certificate or a Declaration of Health **you** must also comply with Important Condition 1 by telling **us** about the health of the **horse**. However, if **we** accept a Veterinary Certificate or a Declaration of Health then the burden is on **us** to prove that the **horse** was not in sound health and free from any illness, disease, lameness, injury or physical disability whatsoever at the start of the **period of insurance** for the **horse**.

3. **You** must at all times provide proper care and attention for the **horse** and take all reasonable steps to avoid or minimise any loss covered under this insurance.

4. In the event of any accident, illness, disease, lameness, injury, or physical disability suffered by the **horse**, **you** must as soon as possible and at **your** own expense employ a **veterinary surgeon** and, if required by **us**, allow removal of the **horse** for treatment. **You** must also as soon as possible notify **your broker**. **Your broker** may also instruct a **veterinary surgeon** on **our** behalf if deemed necessary.

5. **You** must be the sole owner of the **horse** or have a financial interest in the **horse**. This insurance will cease to cover the **horse** immediately if **you** sell or part with any financial interest in the **horse**, whether temporarily or permanently. For sales at public auctions, this insurance will continue until the sale contract is satisfied within the terms of the auctioneer’s conditions of sale, up to a maximum of ten (10) days following the day of the auction. If **you** own a part-share of a **horse**, any claims payment will be limited to a maximum of **your** financial interest.

6. The **horse** must remain within the Geographical Limits stated in the **certificate** during the **period of insurance**.
7. **You** must notify **your broker** in the event of the **horse** being operated upon for castration or spaying, prior to the day of such procedure.

Information you have given us

In deciding to accept this insurance and in setting the terms and **premium**, **we** have relied on the information **you** have given **us**. **You** must take care when answering any questions **we** ask by ensuring that all information provided is accurate and complete.

There are remedies available to **us** if **we** discover you misrepresented information when answering the questions **we** ask. The remedies depend on the type of misrepresentation:

a) Innocent misrepresentation

If **we** find that **you** innocently provided **us** with incorrect or incomplete information **we** are not able to treat this insurance as if it never existed.

b) Negligent misrepresentation

If **we** find that **you** negligently provided **us** with incorrect or incomplete information **we** have relied upon in accepting this insurance and setting its terms and premium, **we** may:

- treat this insurance as if it had never existed and refuse to pay all claims and return the premium paid. **We** will only do this if **we** provided **you** with insurance cover which **we** would not otherwise have offered;
- amend the terms of **your** insurance. **We** may apply these amended terms as if they were already in place;
- charge **you** more premium for **your** insurance or reduce the amount **we** pay on a claim in the proportion the premium **you** have paid bears to the premium **we** would have charged **you**; or
- cancel **your** insurance in accordance with the “Cancelling this insurance” section.

c) Fraudulent misrepresentation

If **we** find that **you** fraudulently provided **us** with false or misleading information, or disregarded whether the information was false or misleading, **we** will treat this insurance as if it never existed and decline all claims.

We or **your broker** will write to **you** if **we**:

- intend to treat this insurance as if it never existed; or
- need to amend the terms of **your** insurance; or
- require **you** to pay more **premium** for **your** insurance.

Notifying us of any changes

You must notify **your broker** as soon as possible if **you** become aware of any changes in the information **you** have provided to **us** at any time before or during any **period of insurance**. All notifications must be made in writing, by email, or by telephone.

Changes to the information **you** have provided could result in **you** having to pay an additional **premium** or in **us** amending the terms of this insurance.

If **you** want to increase the sum insured on the **horse**; add a **horse** to this insurance or extend/add to this insurance, **you** must:

- a) confirm that the **horse** is in sound health and free from any illness, disease, disability or physical abnormality whatsoever, or
- b) tell **us** about any illness, disease, disability or physical abnormality whatsoever affecting the **horse** and any such disclosure will be reviewed by **us** before **we** agree to make any changes to this insurance.

Any changes to this insurance will be confirmed by **us** in writing.

Changes in fair market value

You should review the sum insured as shown in the **certificate** on a regular basis to ensure it accurately reflects the **fair market value** of the **horse**.

You must notify **your broker** as soon as possible of any change in the **fair market value** of the **horse**. This includes, for example, changes in **fair market value** as a result of public auctions, **claiming races**, or castration.

If at any time during the **period of insurance** the **horse** is:

1. entered or raced in any **claiming race** in which **your** financial interest in the **horse** could have been claimed or sold at a price that is less than the sum insured shown in the **certificate**, then the sum insured shall automatically be reduced to the lowest amount for which **your** financial interest in the **horse** could have been claimed or sold in such race; or
2. entered but not sold in a public or private auction and the sum insured for the **horse** exceeds the highest amount bid in such auction for **your** financial interest in the **horse**, then the sum insured shown in the **certificate** shall automatically be reduced upon the conclusion of the auction to the highest amount bid for **your** financial interest in the **horse**; or
3. entered in a public or private auction and the terms of the contract of sale are not satisfied and/or the sale is not completed, then the sum insured shown in the **certificate** shall be amended to not exceed the **fair market value** at the time of the auction, taking into account any defects (physical or otherwise) in the **horse** that prevented completion of the sale.

If the sum insured shown in the **certificate** is reduced for one of the above reasons, **you** may be entitled to a return of some of **your premium**. If so, **we** will calculate the new daily cost of providing the reduced amount of cover **you** require for the remainder of the **period of insurance** and **we** will refund any savings to **you**.

Cancelling this insurance

You can cancel this insurance at any time by notifying **your broker**.

We can cancel this insurance by giving **you** fourteen (14) days' notice in writing. **We** will only do this for a valid reason (examples of valid reasons are as follows):

- Non payment of **premium**
- A change in risk occurring which means that **we** can no longer provide **you** with insurance cover
- Non-cooperation or failure to supply any information or documentation **we** request
- Threatening or abusive behaviour or the use of threatening or abusive language

Refund of premium

This insurance has a cooling off period of fourteen (14) days from either:

- the date **you** receive this insurance documentation; or
- the start of the **period of insurance**

whichever is the later.

If this insurance is cancelled by **you** or **us**, provided **you** have not made a claim, **you** will be entitled to a refund of the **premium** paid, subject to a deduction for any time for which **you** have been covered. This will be calculated on a proportional basis. For example, if **your** period of insurance is 12 months and **you** have been covered for six (6) months, the deduction for the time **you** have been covered will be half the annual **premium**.

If **you** cancel this insurance outside the cooling off period, there will be an additional charge, as stated in the **certificate**, to cover the cost of providing this insurance.

Any additional **premium** due to **us** during the **period of insurance** for additional risks that are fully earned will be retained by **us** in full, which includes, for example, cover for surgical operations, transit and infertility.

If a claim is paid on any **horse** covered under this insurance, whether by settlement, compromise or otherwise, no return of **premium** will be allowed.

Cancellation of this insurance by **us** does not affect the treatment of any claim arising under this insurance in the period before cancellation.

Death of the insured horse

What is covered

We will pay you in the event of the death of the horse or its humane destruction caused by any accident, injury, illness or disease, the fair market value of the horse up to the sum insured stated in the certificate, provided that such accident, injury, illness or disease first occurs during the period of insurance and death occurs:

1. during the period of insurance; or
2. for annual policies only, within ninety (90) days after expiry of such period of insurance provided that you have notified your broker during the period of insurance of such accident, injury, illness or disease. (See “Things you must do” in the “How to make a claim” section on page 7).

What is not covered

We will not pay for:

1. death, intentional slaughter or humane destruction of the horse in any way caused by or resulting from an outbreak or suspected outbreak of a disease where the horse becomes subject to a government or public or local authority quarantine and/or restriction order relating to that disease.
2. intentional slaughter of the horse.

However, we will pay:

- a) where we have expressly agreed to the destruction of the horse; or
 - b) in the case of humane destruction other than where the horse is subject to a government or public or local authority quarantine and/or restriction order as described in 1. above; or
 - c) where the horse is destroyed, whilst on board an aircraft, and such destruction is carried out by or on the order of the person responsible for the aircraft at the time. However, we will only pay if it is later confirmed by a sworn statement by that person that in their opinion the horse was so uncontrollable as to have been a danger to the safety of the aircraft, crew, passengers or cargo.
3. death or humane destruction in any way caused by or resulting from one or more of the following:
 - a) any surgical operation unless conducted by a veterinary surgeon and certified by them to have been required due to an accident, injury, illness or disease occurring during the period of insurance and carried out in an emergency attempt to save the horse's life;
 - b) the giving of any medication unless by a veterinary surgeon (or experienced personnel directed by him/her) and certified by that veterinary surgeon to have been of a preventative nature or necessitated by accident, injury, illness or disease occurring during the period of insurance;
 - c) malicious or wilful injury or criminal or intentional acts or omissions by you;
 - d) failure by you to provide proper care and attention for the horse at all times, or failure by you to take reasonable steps to avoid or minimise any loss;

- e) use of the **horse** for a purpose other than that stated in the **certificate**.
4. death or **humane destruction** in any way caused by or resulting from one or more of the following:
- a) nuclear reaction, nuclear radiation or radioactive contamination; or
 - b) confiscation or nationalisation or requisition by or under the order of any government or public or local authority or any person or body having or claiming jurisdiction in the matter; or
 - c) war, whether war be declared or not, hostilities or any act of war or civil war; or
 - d) the use of or inability to use a computer (including devices such as smart phones, tablets and wearable technology) or electronic data; or
 - e) **Terrorism**; or
 - f) the use of any chemical, biological, bio-chemical or electromagnetic weapon; or
 - g) Avian Influenza virus or any mutant variation; or
 - h) Equine Infectious Anaemia.
5. any costs relating to a **certificate of death** report (see “Things you must do” in the “How to make a claim” section below).

How to make a claim

Things you must do

In the event of any accident, illness, disease, lameness, injury or physical disability whatsoever of or to a **horse**, **you** must as soon as possible at **your** own expense employ a **veterinary surgeon** and, if required by **us**, allow removal of the **horse** for treatment. **You** must also as soon as possible notify **your broker**. **Your broker** may also instruct a **veterinary surgeon** on **our** behalf if deemed necessary.

In the event of the death or **humane destruction** of a **horse** **you** must:

1. as soon as possible, and at your own expense, arrange for a **veterinary surgeon** to produce a **certificate of death report** to confirm the identity of the **horse** and the cause of death (or in the case of **humane destruction**, the reason why **humane destruction** was necessary).

We may require a full **post-mortem** examination to be performed on the **horse**. However, the cost of the **post-mortem** will be met by **us**.

In the event that the attending **veterinary surgeon** is not able to categorically determine the cause of death a full **post-mortem**, or a **post-mortem** of the region of interest will always be required.

2. as soon as possible, notify **your broker** and request a Claim Form. **You** must also provide full details of what has happened and provide any other information **we** may require. **Your broker** may also instruct a **veterinary surgeon** on **our** behalf if deemed necessary by **us**.

3. provide **your broker** with a detailed Claim Form and Release within sixty (60) days after the death or **humane destruction** of the **horse**, or as soon as possible.

If **you** fail to comply with any of the above duties, **we** may not pay **your** claim.

You must at all times co-operate with **us** and **our** representatives in the investigation and adjustment of any actual or potential claim by:

- a) providing as soon as possible upon request by **us** or **our** representatives access to any person(s), copies and originals of all veterinary records whether held by **you**, or by **veterinary surgeons**, having care, custody or control of the **horse**; and
- b) providing as soon as possible upon request by **us** or **our** representatives all information relating to the condition, history, performance, value or otherwise of the **horse** which **we** or **our** representatives may reasonably require; and
- c) preserving anything that might be useful by way of evidence in connection with a claim and retaining it until **we** or **our** representatives have inspected it.

Failure to cooperate with **us** could affect **your** claim, for example **we** may reduce the amount **we** pay as appropriate.

After receiving permission from **us**, **you** will arrange for the removal and disposal of the remains of the **horse** at **your** own expense.

Humane Destruction of a Horse

Before **humane destruction**, a **veterinary surgeon** must be appointed by **us** and must provide **us** with confirmation in advance that **humane destruction** is necessary because the suffering of the **horse** is excessive and incurable.

In some circumstances it may be necessary for **you** or someone acting on **your** behalf to appoint a **veterinary surgeon** to conduct **humane destruction** of the **horse** before **you** can notify **us**. **We** may accept confirmation from the **veterinary surgeon** after the event that **humane destruction** was necessary, but if **we** decide that this action did not meet the definition of **humane destruction** set out in this insurance **we** may not pay **your** claim.

Disputed fair market value

Where **we** have accepted in writing the validity of a claim but there remains a dispute between **you** and **us** as to the **fair market value** of the **horse** payable by **us**, then, **you** will have the option to follow the dispute resolution procedure below.

1. **We** will provide **you** with a list of a minimum of four (4) and a maximum of six (6) individuals with relevant equine expertise, current at the time of selection, from which **you** are to appoint one person.
2. Within twenty eight (28) days of notification by **you** to **us** of the appointment of the selected person, **you** and **we** will each submit to that person and to each other evidence and submissions on value. **We** and **you** will each then have a further fourteen (14) days to respond to those submissions. The appointed person will then provide a reasoned determination of the **fair market value** of the **horse**.

3. **We** agree unconditionally to accept the determination of the appointed person. However, **you** are under no obligation to accept the determination.
4. Should **you** accept the determination of the appointed person, **we** will pay **you** within twenty one (21) days of the determination the amount decided by the appointed person. However, the amount **we** will pay will not exceed the sum insured stated in the **certificate**.
5. Should **you** not accept the determination of the appointed person, or should **you** decide not to exercise the option to follow the above resolution procedure, **you** still have the right to follow the complaints process below.
6. The cost of the determination of the appointed person will be shared equally between **you** and **us**.
7. Should **you** accept the determination of the appointed person, **we** will deduct **your** share of the appointed person's fee from **your** claim payment.

Fraudulent claims

1. If **you** make a fraudulent claim under this insurance, **we**:
 - a) are not liable to pay the claim; and
 - b) may recover from **you** any sums paid by **us** to **you** in respect of the claim; and
 - c) may by notice to **you** treat this insurance as having been terminated with effect from the time of the fraudulent act.
2. If **we** exercise **our** right under clause 1. c) above:
 - a) **we** shall not be liable to **you** in respect of a relevant event occurring after the time of the fraudulent act. A relevant event is whatever gives rise to **our** liability under this insurance (such as the occurrence of a loss, the making of a claim, or the notification of a potential claim); and
 - b) **we** need not return any of the **premiums** paid.

The effect of other insurance

If at the time of death or **humane destruction** of the **horse you** have any other insurance in force in respect of the **horse** (whether or not such insurance is valid or collectable) then **we** will not pay any claim unless **we** have acknowledged (in writing) the other insurance.

If **we** have acknowledged the other insurance, then **we** will only pay a maximum of **our** proportion of the **fair market value** of the sum insured for the **horse** as shown in the **certificate**. For example, if the **horse** is valued at GBP10,000 and both insurances provide a sum insured of GBP10,000, **we** will only pay a maximum of 50% of **our** sum insured; GBP5,000 in this example.

Our rights

We may take any action we consider necessary to enforce Your rights or Our rights under this insurance. If We make any payment under this insurance We will be entitled to all Your rights and remedies against any party and will be allowed to sue in Your name at Our own expense.

However, We may not be entitled to all of Your rights in certain scenarios, particularly:

1. If We would be entitled to Your rights against some other party, but You have not exercised those rights, and might reasonably be expected not to exercise those rights, because You and the other party are members of the same family or are cohabitants.

However, this does not apply where the conduct of the other party was serious or wilful misconduct.

Where in the above scenario the other party is not insured in respect of their liability to You, then we are unable to take action in Your name.

However, if the other party is insured, We can take action, but We are unable to recover more than the other party can recover from their own insurance.

2. Against Your Employee. Unless We prove the loss was caused by such Employee intentionally or recklessly and with knowledge that the loss would probably occur.

- (c) justify the destruction of the **horse** for economic reasons.

This extension in **your** cover is subject to all of the terms and conditions of the insurance to which this **endorsement** relates, as well as the additional important conditions and specific exclusions below.

We will pay **you** dependent on the level of cover **you** have purchased. However, this will not exceed either 75% or 100% of whichever is the lower of the **Fair Market Value** or the sum insured specified in the **certificate** in respect of the **horse**.

What is not covered

We will not make any payment for any loss:

- a) as a result of blemishing;
- b) due to inability of the **horse** to breed;

Following notification in accordance with the important additional condition above, in the event that the accident, injury, illness or disease has not resulted in a permanent total incapacity until after the expiry date of this insurance, claims shall be considered under this Endorsement providing the permanent total incapacity as agreed by two **veterinary surgeons**, one appointed by **you** and one appointed by **us**, arose within 12 (twelve) months from the date of such occurrence and manifestation.
2. Following notification in accordance with the important additional condition above, **we** will have the option of removing the **horse** for examination and/or treatment by **our** appointed **veterinary surgeon**. This may include having the horse assessed from a riders perspective at an agreed professional yard to determine the significance of the condition.
3. In the event of a disagreement between **your** and **our veterinary surgeons** over the permanent incapacity of the **horse**, **you** and **we** may agree to refer the matter to an independent **veterinary surgeon** agreed upon by **you** and **us** who will provide an independent decision. The decision of the independent **veterinary surgeon** will be binding on **us** but not binding on **you**. The fees of the appointed **veterinary surgeons** shall be paid by the appointing party, and the fee of the mutually agreed independent **veterinary surgeon** shall be shared equally between **you** and **us**.
4. **We** have the right to take undisputed ownership of the **horse** and all papers pertaining to it. In the event of **us** not electing to take ownership of the **horse**, a certificate of destruction is required to be attached to the Claim Form and Release before **we** will agree to make any payment.
5. If, in the event of a claim accepted by **us**, **you** elect to keep the **horse** for personal pleasure purposes only and in retirement from any competition use then, dependant on which level of cover **you** have purchased, **we** will pay either 65% or 90% of whichever is the lower of the **fair market value** or the sum insured specified in the **certificate** in respect of the **horse**. 6. If, in the event of a claim accepted by **us**, **you** elect to keep the **horse** for breeding purposes only and in retirement from any competition use then, dependant on which level of cover **you** have purchased, **we** will pay either 75% or 100% of whichever is the lower of the **fair market value** or the sum insured specified in the **certificate** in respect of the **horse**, less the residual value of the **horse**.
