- 3.5 The **Insurer** shall be subrogated to the **Insured's** rights of recovery against any third party(ies) and the **Insured** shall co-operate and do whatever is necessary to secure such rights. Defence costs incurred for both the purposes of the insured and uninsured elements of the claim will be reviewed in their entirety

and an appropriate allocation will be made. It is agreed that both the **Insurer** and **Insured** will use best efforts to determine a fair allocation. If a fair allocation cannot be agreed the **Insurer** and the **Insured** agree to follow the dispute resolution process in General Condition 1.

4. Multiple Claims from a single source

All claims and **Circumstances** which arise from the same original cause or event, a single source or a repeated or continuing problem in the **Insured's** work will be treated as a single claim or **Circumstance** regardless of the number of persons claiming Indemnity.
