Any dispute concerning the interpretation of the terms, Conditions or Exclusions contained herein is understood and agreed by both the **Insured** and the **Insurer** to be subject to Irish Law. 1. Indemnity

Up to the **Indemnity limit** for **Damages** and claimant's costs for which the **Insured** is legally liable to pay resulting from claims first made against the **Insured** during the **Period of insurance** and arising out of the ordinary course of the **Professional business**, in consequence of:

- a. Breach of professional duty;
- b. Dishonest, fraudulent or malicious act or omission of any former or present Employee (which term, for the purpose of this clause alone, shall not include any principal, partner, member or director of the Insured) provided that no indemnity shall be given under this Section in the event that any principal, partner, member or director of the Insured conspired to commit

or condoned any such dishonest, fraudulent or malicious act or omission;

- c. Libel or slander or defamation;
- d. Unintentional breach of confidentiality or other invasion, misuse of private information, infringement or interference with rights of privacy or publicity including false light and the public disclosure of private facts including misuse of any information which is either confidential or subject to statutory restrictions;

- a. if the amount paid or agreed to be paid by or on behalf of the **Insured** to dispose of a claim exceeds the **Indemnity limit** the **Insurer** will only be liable for that proportion of the **Defence costs and expenses** which the **Indemnity limit** bears to the amount paid or agreed to be paid;
- b. in the event that the **Insurer** elects to make a payment to the **Insured** pursuant to Notification and Claims Condition 3.2 then the **Insurer** shall have no liability to pay **Defence costs and expenses** incurred after the date upon which such payment is made.

For the purposes of this Insuring Clause **Insurers** will only give prior consent where the **Insured** has provided, at their own expense, an opinion from a solicitor, barrister or suitably qualified intellectual property agent evidencing the existence of the **Insured's** intellectual property rights, the infringement of those rights, a measurable loss and a reasonable prospect of success.

4. Costs for representation

All reasonable and necessary legal costs incurred by the **Insured** with the **Insurer's** prior written consent for representation at any inquiry or other proceeding which has, in the **Insurer's** sole opinion, a direct relevance to any claim, **Circumstance** or event which could form the subject of indemnity under this this Section. In such **Circumstances**, if it is possible to settle the dispute by agreeing not to pursue the outstanding amount, the Insurer will agree to pay the amount owed if they consider that it will avoid a legitimate claim under Insuring Clause 1 for a greater amount. If, following this, a claim under Insuring Clause 1 still arises then the amount paid under this section will be deducted from the Indemnity limit. If the Insured eventually recovers part or all of the debt then such recovered amount shall be repaid to the Insurer less the Insured's reasonable expenses of recovering the debt due.

7. Costs of criminal proceedings

For legal costs and expenses incurred with the **Insurer's** prior consent in the defence of any proceedings brought under the prevailing listed building, building regulation or health and safety legislation and any applicable orders or regulations made pursuant to that legislation or any applicable codes of practice or procedures issued by any governing body concerned with health and safety provided always that:

- c. the **Insurer** shall have no liability to pay costs incurred subsequent to a plea or finding of guilt on the part of the **Insured**, or in the event that Counsel should advise that there are no reasonable prospects of successfully defending the proceedings, except for costs incurred solely for the purpose of making a plea in mitigation before sentencing or costs incurred in making an appeal if Counsel shall advise that the prospects of a successful appeal following a finding of guilt are reasonable;

The **Insurer's** total liability under Insuring Clauses 4) and 7) shall not exceed EUR 250,000 in the aggregate in the Period of insurance and the **Insurer** shall have no liability to pay for the **Insured's** own costs and expenses.

PMR 591 Cyber and Data Protection Law Exclusion with write-back and Loss of Data Exclusion for Section 2 - General

For use with all classes other than Tech/MAC/Media/D&C

Section 1 - Professional Indemnity

This Cyber Exclusion operates only in respect of the cover provided under Insuring Clause 1.

Save as expressly provided in this endorsement, or by other restrictions in this Policy specifically relating to the use of, or inability to use, a **Computer system**, no cover otherwise provided under this Policy shall be restricted solely due to the use of, or inability to use, a **Computer system**.

The following are added to the Exclusions:

The **Insurer** shall not be liable to indemnify the **Insured** for any claim, loss, damage, liability, costs, expense, fines, penalties, mitigation costs (whether to mitigate the **Insured's** own loss or claims against the **Insured**) or any other amount:

1) directly or indirectly caused by, directly or indirectly resulting from or directly or indirectly arising out of:

- a. a Cyber act; or
- b. any partial or total unavailability or failure of any **Computer system**; or
- c. any actual or alleged breach of **Data protection law** by the **Insured** or any other party acting on behalf of the **Insured**.

The above exclusions shall not apply to any claim for **Damages** and claimant's costs made against the **Insured** by a **Client** arising directly from a negligent act, error or omission in the ordinary course of the **Professional business**, provided that:

i) the **Insurer** shall not be liable to indemnify the **Insured** against any claim in respect of which the **Insured** is, or but for the existence of this Policy would be, entitled to cover under any cyber or other relevant insurance; and

ii) the **Insurer's** total liability to pay **Damages**, claimant's costs and **Defence costs and expenses** which, but for this provision would otherwise be excluded under a. to c. above, shall not exceed the sum(s) stated in the Schedule in respect of any one claim or series of claims arising out of one originating cause and in total for all claims made during the **Period of insurance**. If more than one person is entitled to an indemnity under the terms of this Policy then the **Insurer's** total liability to all such persons shall not exceed the **Indemnity limit**.

2) arising directly or indirectly from

- a. any Virus; or
- b. any failure or interruption of service provided to the **Insured** or any other party acting on behalf of the **Insured** by an internet service provider, telecommunications provider, cloud provider or any other utility provider (such provision replaces the "Utility provider' exclusion elsewhere in the Policy); or
- c. any Social engineering act.

In no event shall this Policy provide indemnity for any **Insured's** own loss, damage, fine, penalty, cost or expense (other than legal costs incurred in the defence of any claim for actual or potential liability indemnified by this Policy) arising out of any event addressed in 1) or 2), including but not limited to any notification costs, crisis consultancy costs, credit monitoring expenses, cost or expense for replacement of actual credit or payment cards, forensic expenses, public relations expenses, any **Cyber extortion payment**, or any costs of reconstituting or recovering lost, inaccessible or damaged **Data**.

Section 2 - Liability Insurance

8. for loss of, damage to, deterioration or corruption (whether permanent or temporary) of, loss of use of, reduction in functionality of, repair of, replacement of, or restoration or reproduction of any **Data**, or for any monetary amount pertaining to the value of such **Data**.
